

Thyristor Units

2000 units sold!

Tyratronic Automation AB manufactures and sells thyristor units of high quality at competitive prices. They are locally manufactured in Sweden and we only use well proven and qualitative components. Our experience within the field of electrical installation and industrial automation stretches over more than 30 years. Therefore, we can market a qualitative product.

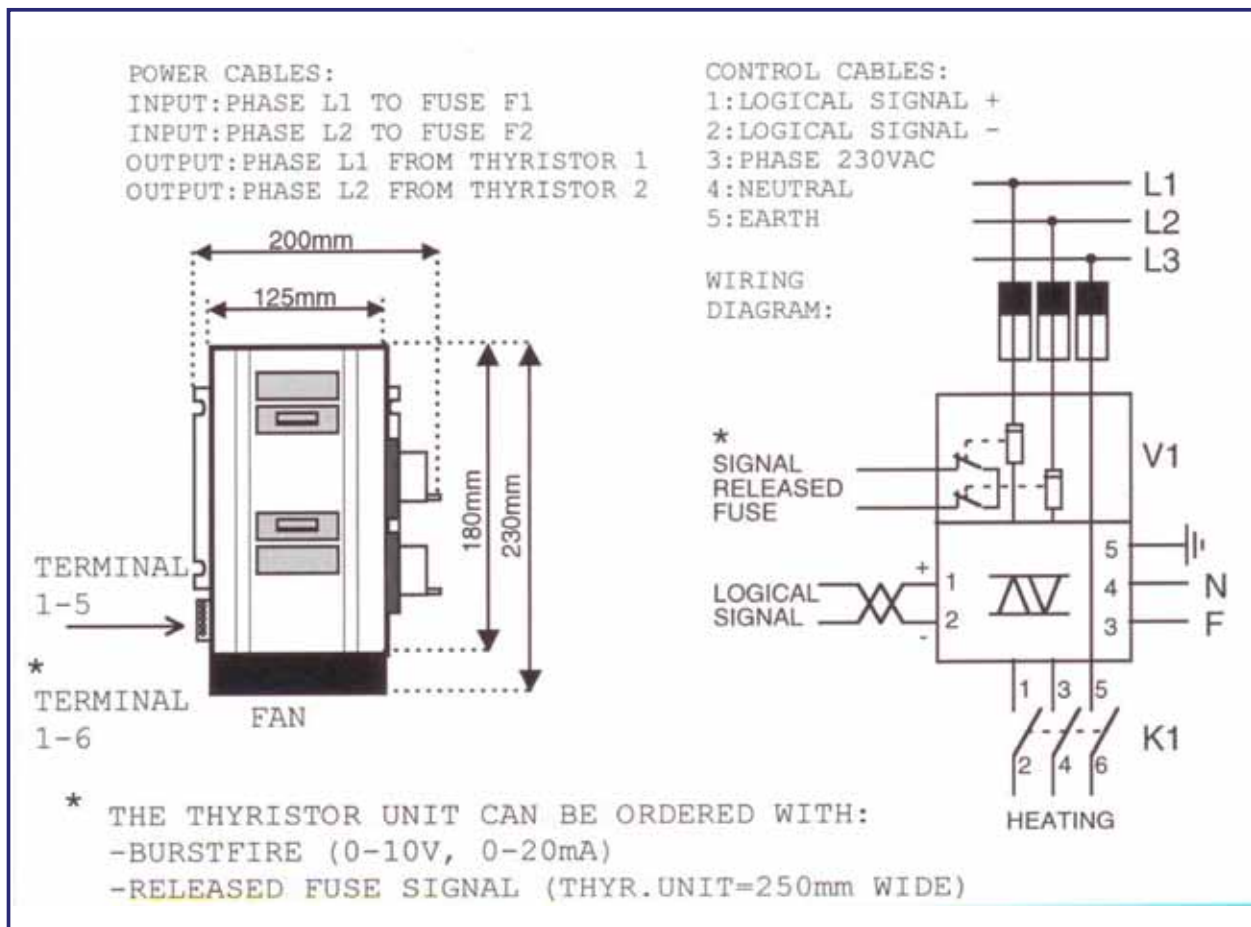

With a thyristor unit, your process can be run almost without maintenance for a long time. Thyristor unit controlled processes are more economical to run and lead to higher quality.

Tyratronic markets thyristor units from 40 – 250 A.

Thyristor Units

Models

Model	Ampere	Breadth	Height	Depth	Fan
ECS SEMI 40	40 A	200 mm	180 mm	195 mm	No
ECS SEMI 50	50 A	200 mm	230 mm	195 mm	Yes
ECS SEMI 63	63 A	200 mm	230 mm	195 mm	Yes
ECS SEMI 80	80 A	200 mm	230 mm	195 mm	Yes
ECS SEMI 100	100 A	200 mm	230 mm	195 mm	Yes
ECS SEMI 125	125 A	200 mm	230 mm	195 mm	Yes
ECS SEMI 160	160 A	200 mm	230 mm	195 mm	Yes
ECS SEMI 200	200 A	200 mm	345 mm	195 mm	Yes
